DEFINITIONS

Ad Valorem Tax: Property taxes computed as a percentage of the value of real or personal property expressed in mills. Excludes property covered by homestead exemption.

Appropriation: Revenue received from other local units of government in the form of grants or grants-in-aid.

Art Print: A printed reproduction of a work of art.

Audio Visual Material: Materials which are displayed by visual projection and/or sound reproduction. Includes motion pictures, videocassettes, sound and silent filmstrips, slide sets, recordings, and art works in library collections.

Bookmobile: A mobile unit that serves as an auxiliary library with a permanent staff and a regular schedule.

Bookmobile Stops: A unique place at which library services are rendered by bookmobile staff or from the collection of the bookmobile on a regular and prescheduled basis.

Books: Items which are cataloged, shelf-listed, and shelved as books. Does not include pamphlets, clippings, pictures, documents, maps, telephone books, college catalogs, etc., unless they are cataloged and shelf-listed.

Branch Library: An auxiliary library with quarters separate from the central library of a system which has a basic collection of books and other materials, a regular staffing level, and an established schedule. A branch library is administered by either the central library or by the headquarters of a system.

Bulk Loans: Collection(s) lent from the reporting library's collection to other libraries or agencies, for an extended period of time. The number reported is the number of items on bulk loan during the reported period. Includes books and periodicals circulated through classroom collections in schools and materials placed in deposit stations.

Capital Project Fund: Any capital outlay financed by general obligation bond proceeds, grants and shared revenue funds, and transfers from other funds which are to be expended for major capital facilities or fixed assets.

Central Library: The single unit library or the administrative center of a system where the principal collections are kept and handled.

Circulation: The lending of library materials to a member of the library's user group generally outside the library. Reported by service outlet and materials format.

Consolidated Library System: Established by the governing bodies or authorities of two or more parishes which crosses parish lines and is governed by a single board of trustees, administered by a single head librarian, and within which all of the service outlets are branches of a single institution.

Deposit Stations: A public service outlet where library materials and services are made available to the library's clientele with revolving collections from library book stock. Only those outlets which are in service at the time of reporting are included. Materials are counted as Bulk Loan transactions when placed in the deposit station.

Employee Benefits: Expenditures for employee retirement contributions, life and health insurance, and unemployment compensation.

Federal Grants: A contribution of cash or expendable resources from the federal government to be used for a specified purpose, activity, or facility.

Federal Revenue Sharing: Revenue levied by the federal government but shared on a predetermined basis with the local government.

Films: Motion pictures, with or without recorded sound, 8mm, super 8mm or 16mm in a variety of formats (cartridge, cassettes, loop, and reel).

Fines: Revenue received from charges imposed upon library patrons for overdue library materials.

Gifts: Gifts, pledges, grants, or bequests from private sources.

Head Librarian: Administrative Librarian in charge of the library, i.e., the library director.

Interest Earnings: All interest earned on investments, contracts, and notes.

Intergovernmental Expenditures: Payments made in accordance with the statutory deductions regulated by law for commissions and retirement systems, and for payment of services rendered by one level or unit of government to another, such as bookkeeping services and tax collection.

Interlibrary Loans: A transaction in which library materials, or a copy of the material is made available by one library to another upon request. Photocopies are reported as if the physical unit were lent or borrowed rather than number of pages of copy furnished.

Librarian: A person holding the fifth year degree in library science from an ALA accredited library school who typically is employed in library science functions, such as cataloging and reference, etc. Excluded from this category is the Head Librarian who functions largely as the administrator rather than as a librarian.

Librarian Certified: Pursant to R.S. Title 25, Chapter 3, Section 22, the State Board of Library Examiners issues two types of certificates: 1) Executive and 2) Temporary. Eligibility for an Executive Certificate requires a Master's degree from an ALA accredited library school, completing three years of executive experience in a public library, and passing the examination for executive certification. A Temporary Certificate is issued to those candidates who meet all qualifications for the Executive Certificate except the years of executive experience.

Library Associate: A person holding a college degree, i.e., a bachelor's degree.

Library System: Usually consisting of a headquarters or central library with additional service outlets, i.e., a branch or branches and a bookmobile, administered through the headquarters or central library. Parish libraries operate as library systems. See also Consolidated Library System and Non-consolidated Library System.

Loan Transaction: The lending of library materials for use outside the library.

Local Government Receipts: All money received by the library as charges levied by the local governmental unit against the income or wealth of a person, natural or corporate, in the form of a dedicated tax or by appropriation. See also Ad Valorem Tax and State Shared Revenue.

LSCA: Library Services and Construction Act is the authority under which federal funds for libraries are appropriated to the U.S. Office of Education and administered by the State Library. The Federal grant to States for public library construction under Title II Library Services and Construction Act are used solely for the purpose of paying the Federal share of the cost of public library construction projects that are approved by the State Library and are consistent with the State's long-range program.

Microforms: A photographic reproduction of textual, tabular, or graphic material reduced in size such that it can be used only with microform equipment for magnification, i.e., microfilm, microfiche, microcards.

Municipal Library: A library established by one or more municipal governing authorities as provided by law to serve all residents of the municipality or municipalities and which may of may not serve additional persons.

Non-Consolidated Library System: Composed of two or more autonomous member libraries, each having its own board of trustees, controlled by representatives of member libraries, and operated from a designated library center under the supervision of a system director, and which receives special financial support from local, regional, or state appropriations to provide more comprehensive library service in the geographical area served by the system.

Operating Expenditures: Expenditures incurred in providing library services, including salaries, operations, materials, and capital outlay.

Operating Receipts: Revenue received from taxes, grants, and fines or fees for services. Excludes value of contributed services and value of gifts, materials or equipment.

Other Expenditures: Payments for operations and maintenance, materials and supplies.

Other Materials: Library materials not reported elsewhere, i.e., filmstrips, slides, sheet music, art objects.

Other Revenue: Income from, i.e., sale of assets, photocopy machine receipts, and utility refunds.

Parish Library: A library established by a parish governing authority, as provided by law, to serve all residents of the parish.

Periodical Subscriptions: Number of subscriptions to publications in any medium intended to appear indefinitely at regular or stated intervals, e.g., a magazine or newspaper. Number reported excludes duplicate subscriptions.

Permanent Collection: Materials held in the library collection for internal and lending purposes which are solely owned by the reporting library.

Primary Service Area: The geographic area, and the residents thereof, for which the library has been established to offer services and from which the library derives income. Typically, this area corresponds to that from which the library derives its legal identity. It does not include area or population to which service is extended by cooperative arrangements.

Recording: Includes audio-tapes, cassettes, discs. Also called phonodisc, phonograph record, audiodisc, and variants of these terms. Does not include videodisc cassetttes.

Registered Borrowers: Those persons within the library's service area who have registered with the library to borrow materials from the circulating collection.

Rented Collection (Or Books Rented): Materials which, although housed by the reporting library, are not owned by the reporting library, i.e., materials received from rental companies.

Sales Tax: Revenue derived from a locally authorized sales tax, a portion of which may be designated for library support.

Severance Tax: See State Shared Revenue.

State Aid To Libraries: State revenue appropriated to the State Library for the program of annual supplemental state aid grants to libraries for the purchase of books, audio visual materials, newspapers and periodicals.

State Shared Revenue: Revenue levied by state government but shared on a predetermined basis with local government. Includes severance tax levied on the state's natural resources severed from the ground or water, and revenue to replace taxes lost as a result of homestead exemption.

Work Week: The number of working hours per week which constitute a full time work load for an employee.
